18426 NE 191ST CIR
BRUSH PRAIRIE , Washington

Subject

Rezoning near intersection of Ward Rd. And Davis Rd.

Message

Continuing to cannibalize agricultural area for human habitation has already proven to be a poor long term solution. Evaluating the value of agricultural land only by whether or not it can grow edible crops is laughable as much of this area is ideal for hay production or livestock grazing. These animals are also part of our food chain, and their needs must be considered as well. Additionally, this area is already plagued by unsafe travel conditions which will only worsen with increased traffic.
