AHO construction project Ward and Davis

Message

I was recently made aware and saw survey crews looking at developing the 76 acres at Ward and Davis. Please do not allow this to happen. They are being disingenuous in saying nothing can grow there. All the area around there doesn't have a problem growing things. People move to Brush Prairie/ Hockinson to get away from the rampant disregard for the natural land and open spaces. Our school are already at capacity and like everywhere else in C.C. infrastructure will not be commensurate.
