Subject

Ward Rd. development

Message

I have been told that the property at Davis and Ward Road will be developed into multiple residences. The growth and overtaking of farmland in Clark County is happening at an alarming rate. I was under the impression that properties out here in the country could not be divided less than 5 acre parcels. What ever happened to that zoning? Ward road is already a nightmare. This is just going to be a disaster let alone losing more agricultural land to developers.
