Subject

AHO land at Ward Rd & Davis Rd

Message

Please do not allow them to change the zoning of this acreage from Ag R20 to urban growth so they can build a high density housing development. We are losing the farming and rural land that makes living out here so desirable. The land can be used for farming crops, livestock grazing, or kept in hay production to feed livestock as it has been for decades. AHO stopped the hay production when they purchased the land and it's gone fallow because of their lack of attention. This is good farm land
