Zoning

**Message**

Hi, I'm a current resident of the are close to ward area, it came to my attention by another neighbor that a construction company wants to change zone by ward road and 172nd and build a new development of I think 76 houses. Currently is a nightmare get on ward road from 162nd all along, traffic is bad and not to talk about the schools that are great, but unfortunately oversaturated with students, bringing new houses will not make a positive impact in our community. Thank you
