Subject

AHO Land at Davis and 182nd

Message

Please take into consideration AHO requesting that 76 acres to go from ag-20 to r1-5 would add over 600 homes to a an area needing huge improvements to the roads to hold that much increase in traffic, we are loosing farmland constantly in Clark County, that land used to sustain strawberries just a few years ago so I don't see how it can't sustain human grade food when it did just a few years ago with no major changes in the area. At least hay field could sustain local beef or dairy cows.
