---

Good day, Sherri,

Thank you for submitting these comments related to Climate Change and Greenhouse Gas Emissions. I have forwarded these to Staff, and will enter them into the Comp Plan Index of Record.

Regards,  
Jeff Delapena

**Message Subject**

Greenhouse gas emissions

**Comments**

I truly hope you are serious about reducing greenhouse gas emissions. But I am concerned that the discussion currently taking place about opening up rural areas for Commercial Events that bring thousands more cars into our rural areas to attend concerts and parties is a bit counter to that goal. Please keep our rural areas free from increased traffic congestion that increases greenhouse gas.

Thank you for taking my comment.
