Good day, Debra,

Thank you for your comments in relation to the Climate plan. I have forwarded to members of Staff, and will enter these into the Comprehensive Plan Index of Record.

Regards,
Jeff Delapena

Comments

It has astonished me and my neighbors in unincorporated Clark County the development in the north corridor. The total disregard for leaving or mandating green spaces for parks, trail and recreation. Not only are these areas vital for climate change, but for respite in a demanding world. One day Clark County will not have buildable land, and if we do not plan for it NOW we leave nothing to other generations.
