Good day, Richard,

Thank you for your comments in regards to Climate Change. I have forwarded these to Staff, and will enter them into the Comprehensive Plan Index of Record.

Regards,  
Jeff Delapena

**Comments**

Climate change is real & has serious consequences ---which are already being felt world wide. I have scientist friends & relatives that live in Europe and Asia. They are also feeling the impacts and are very concerned that we take immediate action to reverse it, before it is too late..
