The fossil fuel industry & the food industry get subsidies for the services they provide. Housing is a service/human right so legislation MUST be written for subsidies/incentives/help for housing.

(My Signature 😊)

~You must always be willing to truly consider evidence that contradicts your beliefs, and admit the possibility you may be wrong. Intelligence isn't knowing everything, it's the ability to challenge everything you know. Let's all give up our fear as a justification for not to take action because we are the creators of our reality.

Sending healing vibes
