Comments

We would like to put in a request to change our zone from MX (Millcreek Overlay) to R1-5, R1-6 or R1-7.5 to be consistent with surrounding zones. We realize that we missed the deadline but were unaware that this was even taking place. We currently have someone interested in the property, but it is contingent on getting the zoning changed from mixed use to residential.

Please let us know if there is anything else that you need in order to consider this change.

Thank you
