**Subject:** The edits/notes are made in the document. They have three stars next to them. \*\*\*

**Follow Up Flag:** Follow up  
**Flag Status:** Flagged

**EXTERNAL:** This email originated from outside of Clark County. Do not click links or open attachments unless you recognize the sender and know the content is safe.

There are four notes in the document.

This first one is in the beginning the survey being longer than 5 minutes for me to complete.

The second one is underneath the percentages graph.

The third one is in question number 3.

And the fourth one is with the Air Pollution in Clark County Map where I suggest to put some main roads on the map so people can see where there home is.
