Good day Helen,

Thank you for your comments for the 2025 Comprehensive Plan Update. I have forwarded them to staff and will add your comments to the Index of Record.

Regards,
Jeff Delapena

Forest Health and Maintenance

Comments

We need to conserve structurally complex mature forest lands. There are few of them, and when they are gone, there is no replacing them.

We need to manage our oldest forests for carbon sequestration and environmental benefits
I request that county officials collaborate with DNR to prioritize conserving structurally complex mature forest lands.
