Good day,

Thank you for submitting comments for consideration, related to Site Specific Requests for the 2025 Comprehensive Plan Update.

I am forwarding to members of Staff for their awareness, and your comments will be entered into the Index of Record.

Regards,
Jeff Delapena

The annual cycle for reviewing Site Specific Requests has been passed by for the past 2 years with the promise that Clark County would consider all Site Specific Requests with the 2025 Comp Plan Update. Redinger Inc is urging the County to study the broadest land use alternative that includes all viable Site Specific Requests to provide a more comprehensive option for our community to develop over the next 20 years.
