Good day, Shastine,

Thank you very much for submitting testimony for consideration in the Land Use Alternatives to be studied in the DEIS.

I am forwarding to members of Staff and will enter these into the Comprehensive Plan Index of Record. Your comments will also be sent to the Planning Commission ahead of the Thursday Nov. 7 Hearing.

Regards,
Jeff Delapena

Hello Jeff,

I am a member of the Clark County Association of REALTORS® (CCAR). I want to request that you give heavier thought and consideration to the request that was given to you from the NW Partners which you have already recieved.

Being a part of the CCAR for over two decades along with over 1,950 other real estate professionals helping local residents achieve home ownership. WE hear what the People are asking for and have voiced that to CCAR. Since CCAR is a coalition member of NW Partners, whose experts understand how we will accommodate growth, while providing homeownership opportunities for working families in Clark County for generations to come, we want our voice heard.

Respectfully
Shastine
