## Online public meetings for the Air Quality in Overburdened Communities rulemaking are on 12/12/24

Ecology will host online meetings to provide information about the air quality in overburdened communities rulemaking. The meetings will take place on **Thursday, December 12, 2024**, at **9:00 a.m.** and **6:00 p.m.**

The meetings will begin with a presentation followed by questions and answers. The same information will be covered at both meetings, so you don't need to register for both.
