Good day, Richard,

Thank you for your comments regarding Climate Change as relates to the 2025 Comprehensive Plan.

I have forwarded these to Staff and will enter them into the Index of Record.

Regards,
Jeff Delapena
Program Assistant, Clark County Community Planning

Message Subject

Climate part of comprehensive plan

Comments

Clark County should look at developing a community climate road map much like what Santa Clara County Office of Sustainability and Resilience has developed and to help Clark County cities develop climate act plans to help the cities meet thier comprehensive plan goals.
