Jenna,

Apologies for missing the meeting and for not having availability to speak to you regarding my comments. I'm in Olympia full-time until the end of the legislative session and won't have availability to discuss in-depth. I'm not too troubled with whatever happens via the larger group but appreciate you reaching out to ensure my voice is heard in this process.

Best,
Andrea

Hi Andrea,

I hope the start of your week is going well!

I wanted to follow-up from last week's CAG meeting to see if you would be interested in chatting over the next couple of weeks about some of the goals and policies you had feedback on, to make sure staff answers any outstanding questions you have and make sure we have a good grasp of your concerns going into the final meeting.

If you are interested in meeting, I was thinking we could discuss:

- Feedback you provided in the last CAG survey

- Any feedback you have on the revised building & energy policies in the current survey that's out. (I'm putting this on the list because I'm anticipating you might have some thoughts on this batch of policies).
- Next steps with the CAG process
- Anything else you would like to cover

I can meet in-person or virtually, whichever you prefer. My schedule is pretty open on Wed. Mar. 5 and Friday Mar. 7, if there is a good time in there for you. I can also look for times next week if better.

Thanks!

Jenna
