Hi Rebecca and Dominique,

Monica Zazueta reports that although you are attempting to achieve the benefits of *15-minute neighborhoods*, you have stopped using the expression 15 Minute Neighborhoods.

Could you elaborate?

I ask because Monica and I are on a county sub-committee working with Jenna Kay on that matter. The expression *15 minute communities* has become controversial on that committee.

### **Part 2**

While digging through papers on my desk, I discovered an 18-page City Document called *Transportation and Land Use*. Sub-head *Strategies and Actions*. I believe it was approved in October 2024.

Could you send a link to that document to all of us. I could not find it on your website.

Thanks,

Don Steinke
