Good Afternoon, Monica, Jenna, & Sylvia

Monica- I wanted to follow up with you all regarding my input on 15min neighborhoods last week. The City of Vancouver has indeed abandoned the term "15 minute neighborhoods". Please reference the City of Vancouver's Planning Commission Workshop from 2/11/2025, time stamp 1:11:02. <https://www.youtube.com/watch?v=pEbdMaYxVKw>

"We don't use the term 15 minute neighborhoods anymore." – Rebecca Kennedy Deputy Director, Community Development

While I respect your input and the EJC's work I do think it is important that we correct the record with the most up to date policy language and its associated impacts.

Jenna & Sylvia- I would appreciate it if you could forward this to the rest of the CAG so we can correct the record. Language is important and this terminology took up a large sum of our time last Wednesday.

Best Regards,

Justin Wood
