Clark County RESOLUTION NO. 2025-04-xx, AS IS...Please pass this very important resolution keeping Clark County forest and agricultural lands SAFE.

This is hugely important for all that live in our beautiful part of Southwest Washington, We do not NEED or WANT any more areas that are ruined because of poor planning, as has been done in Clark County for EONS... favoring industry, urban sprawl and all the money involved. We as a community need farms, open spaces, green spaces allowing natural resources, animals and plants to grow along with our children for a brighter future...

Please pass this resolution NO 2025-04-xx as it stands..Clark County
