Good day,

Thank you for submitting comments regarding Resolution No. 2025-04-xx. I am adding members of Staff and will enter these into the Comprehensive Plan Index of Record.

Best regards,

Jeff Delapena

I support for the Amended Resolution to the Comp Plan DEIS. This is rural area that is a main tourist attraction. If rocks pits are allowed, not only will they affect tourism , it will also have a major potential of contaminating The East Fork of the Lewis, which generates huge amounts of income for local businesses.
