Hello Clark County Councilors...

I apologize for not attending in person and for not writing my own summary but I have a flight to catch and just saw this email. So I will echo the words of Friends of Clark County:

"Please pass Clark County RESOLUTION NO. 2025-04-xx AS IS, which would omit options from the Comp Plan DEIS that would require the de-designation of resource lands or surface mining overlay designations, as well as discontinue the countywide resource lands study.”:
