Mr. Wallmark,

Attached is a map of a portion of Alternative 3 that has some proposed changes in the area along NE 139th St east of NE 72nd Ave. These are site specific requests proposed by property owners or their representatives to expand the urban growth area.

Dear Jose,

I was just reviewing the Update through the link to the on-line open house. Perhaps you can help me interpret the maps. Can you tell me what, if anything, is planned for NE 139th St running east from NE 72nd Ave.

Thanks and sincerely,

Glenn Wallmark
