Comments:

- 1 RIDGEFIELD has annexed more acreage during the last Comp Plan revision than they know what to do with. Much of this land is still vacant.
- 2 GMA says Ag lands are to be protected. Not happening in Ridgefield. Most land to be annexed is Ag land. Ag land is in short supply.
- 3 Ridgefield residents have little opportunity to comment on growth issues. Planning Commission does not publish their agendas. Only vote is school bond issues.
- 4 I want my 6.25 acres to remain Ag land. I do not want to be surrounded by developments.
- 5 Proposed Ag land for annexation is currently Ag land. Crops are already raised on it. It may currently be under the Ag tax exemption. 6 Pick Alternative #1
