Message Subject

Zoning change

Comments

Doubling the size and wiping out R5 residential housing in the Salmon Creek area is a bad idea for so many reasons. I plead you investigate and speak with the current residents around the area. Leave the properties East of WSU Vanouwer in the R5 they currently are and do not change that large patch to BP.

There is no need to expand the BP area here. Clark County is vast and I'm sure there are other locations that will have less impact.
