crosswalk on NE 124th /Dogwood Park

**Comments**

Please put a crosswalk on NE 124th Street by Dogwood Park. Drivers consistently speed on NE 124th Street, including where pedestrians cross to enter Dogwood Park. The area has been developed considerably over the past few years. There are now many more people living near and utilizing Dogwood Park. Among them are seniors, myself included, who can't run across the street as quickly as we used to. And, there are many more children in our neighborhoods. Children who are prone to running between cars and into the road when no crosswalk is available even with the most attentive parents nearby. Please help prevent a tragic incident from ever happening. We really need a crosswalk on NE 124th by Dogwood Park.
