TESTIMONY

BYRNE: Mary Byrne, M-a-r-y, B-y-r-n-e. 28501 N.W. 7th Avenue, Ridgefield. I prefer to stay with Alternate 1, Alternative 1. I think there is enough unused land in this alternative. Ridgefield was a rural slash country area and is just getting paved over. The area is expanding in a non-concentric manner.

It appears haphazard with Alternatives 2 and 3. More and more houses that are expensive, not enough affordable housing, even in Alternative 1 are being built. The schools can't accommodate the present population.

Areas of Ridgefield are presently underserved for fire and EMS services, long response times. Ridgefield needs to slow down, follow the present Alternative 1 and allow infrastructure to catch up.
