TESTIMONY

BROOKS: Daniel Brooks, 4012 N.E. 179th Street. So, we were always told – I've been in my home for 25 years now on 179th and we were told that none of the development would be, would start until after the I-5 Interchange was completed.

We went to numerous meetings on WSU, we were told 20 years ago that it was only going to be a finishing school, not a four-year university, and we were also told there wouldn't be any housing and I've seen there is some housing being planned in the future and then the plan from on 179th Street, 29th to 50th they're always changing. We need to know what's going on. That's it.
