I strongly support the County meeting the deadline for completion of the Comp Plan. Meeting the deadline cannot be done with the current plan for a rushed incomplete Ag Study. This study is being done to try to justify the requests of La Center and Ridgefield to increase their UGA. This increase is unnecessary for those cities to accommodate their projected growth. It is an attempt to continue avoiding building multifamily housing. Bad behavior should not be rewarded. Adopt Land Use Alternative 1 and complete the study on time.

Thank you
