Hi Lindsey –

Yes, the ordinance has been submitted for consideration on the consent agenda on April 16. And you are correct, the ordinance would go into effect 10 days following approval of the ordinance. Let me know if you have any other questions. Thanks!

Good afternoon, Susan –

I hope you are enjoying this lovely spring day! I wanted to check-in with you as it relates to the anticipated timeline for the Housing Code Amendments going into effect. If I recall correctly, there will be an adoption hearing and then the code would go into effect 10 days after the adoption hearing – is the adoption hearing scheduled?

Thanks,
Lindsey
