Hi Kirsten –

I'm so sorry I am just responding I missed your email when it first came in. No changes were proposed to the code for rural ADUs, hardship placements (temporary dwellings in CCC 40.260.210) or guest houses as a part of the housing code changes that were considered on March 5. Please let me know if you have any other questions. Thanks!

Hi Susan,

I've become aware of potential code changes happening soon. I have a copy of the approved changes for Urban ADUs. I'm wondering if there are potential changes for Rural ADU code, Hardship placements and Guest Houses as well.

Thanks so much for your help!
