TESTIMONY

SPENCER: John Spencer. J-o-h-n, S-p-e-n-c-e-r. 1913 S.E. 303rd Avenue, Washougal, 98671. And I was looking at your maps and noted that the area in which I live, which is to the northeast of Washougal along 23rd Street, is listed as, what was that, it was listed as not good farmland, I forget what the terminology was, and I found that interesting because I have an active farm and I'm producing tens of thousands of pounds of food every year and my neighbor has an active farm and the next one down has an active farm, so obviously the soil is sufficient for farming. So, my request is that whatever that designation be upgraded to farmable land. That was the primary comment I wanted to get out today.
