Good day, Stephen,

Thank you for your feedback related to the Agricultural Lands Study for the 2025 Comprehensive Plan Update.

I have forwarded your comments to Staff and will enter these into the Index of Record.

Thank you so much for making progress with the Clark County Agricultural Lands Study. As a resident of Ridgefield, and someone who sees the preservation of *local* farmland as a vital issue for my children and our whole community, I urge you to (as the study has shown) to push for more designation of farmland, in order to protect this high quality soil resource for local food production to feed our growing population.

Thank you for your consideration.
