Dear Clark County Council,

I am writing in support of maintaining ALL of the currently designated agricultural lands in Clark County and adding those lands which have been found to meet the legal criteria but are not already designated as agricultural lands.

As the co-owner of over 50 acres of agricultural and timber land near La Center I strongly oppose removal of agricultural designation on lands adjacent to the City of La Center.

I have been a Clark County resident since 1974 and lived on my current land since 1977 and am appalled by Clark County's failure to protect its agricultural lands. Once these lands are removed from designation that are gone forever. We need agricultural land to support our food needs and our quality of life.

Please not to protect our agricultural land.
