Good day, Steve,

Thank you for this feedback related to the Draft Environmental Impact Statement for the 2025 Comprehensive Plan Update.

I have forwarded your comments to additional Staff and will enter these into the Index of Record.

Message Subject

Draft EIS - Urban Growth Area Changes

Comments

I've lived in Vancouver, WA for over 25 years. In the time I've lived here, Vancouver has grown tremendously. I grew up in Southern California, and I would hate to see Vancouver and the surrounding areas turn into something like Southern California. As such, I would prefer Alternative 1. I think there should be more emphasis on using existing urban land more efficiently. Thank you for your consideration.
