Key Points on ADA

- What does ADA stand for? Fed.
 - o American with Disabilities Act, which was enacted in 1990.
- What is HB1181?
 - o HB1181 was effective as of July 23, 2023. This is part of the Climate Change Initiative and the Comp Plan update. HB1181 required the county to update their ADA Transition Plan to the most recent standards. This is identified on page 14 (G) of the house bill.
- Self-Evaluation Report
 - o This will inventory a list of transportation facilities for deficiencies. The types of facilities being evaluated are curb ramps, sidewalks, and accessible pedestrian signals (APS). Driveway ramps are not being listed at this time, but may be required in the future.
