Comprehensive Plan Update

Comments

My name is Susie Vasquez, and I live in unincorporated Clark County. I am writing to express my support for Alternative 1 in the Comprehensive Plan Update.

I believe Clark County should protect agricultural lands and rural areas and avoid expanding Urban Growth Areas when the data shows existing UGAs can already accommodate future growth. Once farmland is converted, it is lost forever, and those impacts are felt by the whole community.

I appreciate the County's work on the Agricultural Lands Study and agree that lands qualifying as Agricultural Lands of Long-Term Commercial Significance should remain protected.

Thank you for your time and consideration.

Sincerely,
Susie Vasquez
