Good day, Kristin,

Thank you for providing this feedback related to the Joint Hearing to select the Preferred Land Use Alternative for the 2025 Comprehensive Plan Update.

I am forwarding to additional members of Staff. Your comments will be brought to the attention of the Planning Commission and Council ahead of tonight's continuation of the Hearing. This will also be added to the Index of Record.

Best,

Jeff Delapena

Comments

Modeling shows that all cities can accommodate projected growth within existing urban growth areas. Agricultural and open space are very important to retain the quality of life in Clark County. Decrease in sprawl helps provide transportation and other services. Please preserve open space and local agriculture.
