Good morning Eric,

I am writing to follow-up on the below thread.

Clark County recently published a draft of the Climate Element proposed to be added to the county's comprehensive plan. You can access this document and an associated appendix at the following links:

- [Draft Chapter 14 – Climate Element](#)
- [Draft Appendix I – Climate Element Support Documentation](#)

Please let me know if you have any questions or comments.

The county's current comprehensive plan [schedule](#) is for County Council adoption scheduled for early June 2026.

Regards,
Jenna

Good morning Jenna. I appreciate the engagement with CTUIR. While we may not be able to do an in-depth comments of your planning product, I am certainly interested in the GHG reduction and resilience examples that will be incorporated. Please send me a draft when you have one.

Thank you and have a great day and weekend!

Dear Chair Burke,

We are writing regarding an update on a climate change project taking place in Clark County, WA. We invite the Confederated Tribes of the Umatilla to consult on the project if of interest.

Enclosed please find a letter with more details from Clark County Manager Kathleen Otto.

Thank you for your consideration.

Sincerely,
Jenna Kay
