I have 15 acres off Laurin Rd my zoning now is Ag. I attended a meeting and got the impression you are changing zoning by parcel. I hope I will be rezoned to residential not commercial or industrial. I am close to Laurin and Glenwood school. Ag zoning is so restrictive, hope you change my property 12904 NE Laurin Rd I know the railroad is a big consideration to bad for people that don't care I have lived by the tracts for 15 years I am fine with the train that go thru now.. what do you think should happen with the railroad
