Good evening Jose,

Does this need to be sent to someone specific for public comment?

Thank you,

Dear Councilors:

I am writing to you today regarding the Comp Plan Update options currently under consideration.

I urge the Council to prioritize and protect agricultural land and sustainable land use for the future.

I support Alternative 1, which proposes no change to the current UG boundary and prioritizes preservation of our current agricultural lands.

I urge the Council to take a proactive stance and protect our lands and opt for Alternative 1.

Thank you.

Regards,
