Zoning near battle ground lake

Comments

Please consider changing zoning near battle ground lake/palmer road to R2.5. It has been a very long time since this was open to changes and I would really like to divide my property once. I am between two neighborhoods that are both 2.5 acre parcels. I live in an old farmhouse that was built in 1905, which includes a massive barn and multiple outbuildings. They are a part of early battle ground history and would love to see them stay.

Thank you for reading and please take this into consideration. Or please reach out to me if there's a permit I can pull to divide my property in half.

Thank you!

Ellen
