What are you guys doing? I live north of the 179th/29th intersection. Wishing a 2 mile radius there are at least 5 active developments, each with at least 65 homes. One has 650! We have a project immediately behind us that has been going on for over a year now. As a result we are living with the constant beeping,

diesel engine noise and exhaust, excessive pollution and dirt and filth. You need to STOP THIS MADNESS. please, I beg you, stop!
