Good day, Martha,

Thank you for your comments regarding the 2025 Comprehensive Plan Update, related to the increase of density in the 179th corridor.

I am forwarding to additional members of Staff, and these will be added to the Comprehensive Plan Index of Record.

Best,

I sincerely hope someone actually takes the time to read my response.....I live just beside the I-5 Exit off 179th Street on the east side of the Fwy close to the intersection and signal light on 179th St & 15th Avenue. (Whipple Creek Village). This exit onto 179th has been blocked off and closed to eastbound traffic now for over ONE YEAR!!! I have many trips needed to go to Battle Ground, Meadow Glade, Mt. Vista, and my church (Glenwood on 119th & 72nd). I AM SICK AND TIRED OF HAVING TO MAKE SO MANY DETOURS which take more time, and MY GAS to weave all around TVC, Chucks,, etc. SO after a year of all these inconveniences, I frankly see little to minuscule progress in those areas along 179th St going eastward all the way to 72nd !!! WHAT IN THE HELL IS GOING ON??? Why do I see no improvements or progress toward ending this nightmare construction project??? What is being done on 29th Ave? I surely don't see it!! What improvements have been completed along 50th Avenue?? PLEASE EXPLAIN...Where all these round-a-bouts that were said to be put in along 29th, 50th, and 72nd? We, residents & tax payers deserve an explanation!!!! This is government WASTE of both \$\$\$ and is causing thousands of people who live in this area huge disruption, inconvenience, and not to mention extra gas to navigate all these detours when the cost of gasoline is going up, and up, and up!! Why??? What in the hell is taking SO LONG?

I respectfully believe that I, and hundreds and thousands of us deserve an answer that makes some sort of sense!

Respectfully, Martha Wilson
