Thank you very much for submitting comments related to the 2025 Comprehensive Plan update.

These will be added to the Comprehensive Plan Index of Record. I am including Rebecca Messinger from the Council's Office as well for awareness.

As a lifelong resident of the Battle Ground zip code, I am writing to express my support in expanding

Battle Ground's growth to the west along SR502/NE 219th St to include the Dollar's Corner area. Access to the newer 4 lane highway and proximity to I-5 make sense for this area to grow. Allowing public sewer to extend also seems like the right thing to do, especially with the difficulties in permitting septic systems in this area. Although I don't necessarily like change, I think this is the right path forward.
