Subject
Comprehensive Plan Update

Date of Hearing
Thu, 10/01/2026

Comment
The planned rezoning of R1.75 to R32/R36 forces high density design into an area that can not support it. Traffic is already beyond capacity, parking is over crowded, and streets are overwhelmed. Current high density housing in the area appears not to be at capacity and available apartments continue to be advertised.
Please reconsider this proposal and deny.
