My husband, daughter and myself live in Great Western Mobile Home Park. We have lived here for 30 years. We have made our home handicap accessible for our disabled daughter. We don't want to have to move from our home if our park was to get sold to a developer. We are in our late 60's, early 70's and don't want to have a high house payment. Our space rent is bad enough. Please come up with a plan to protect all mobile home residents. Thank you for your attention in this matter.
