Thank you, Oliver.

I did speak with Ms. Bremer and the Jones about the property, but did not have a copy of the letter.

Thanks,

Hello Claire:

I hope this email finds you well and staying safe. Attached, please find the letter submitted to Clark County Community Planning from Attorney LeAnne Bremer on behalf of property owners Gerald & Bev Jones. You may have received a similar letter.

Two of the sites are designated as Agriculture and one as Mix-Use. They should be working and coordinating with the City through your planning process in the next plan update prior to submitting your urban growth area to the County for consideration. It appears that for inclusion inside the UGA that a de-designation of the AG would be part of the process. Please, let me know if you have any questions. Thank you.

Best Regards,

Oliver
